FIFTEEN CENTS

Antioch Plans Gala July 4

Celebrates 200 Years Of Freedom

The 200th birthday of the United States will be celebrated throughout the country on Sunday, the Fourth of July, but Antioch doesn't plan to take a back seat to any community.

The village is planning its biggest parade ever, followed by a picnic at the Aqua Center and Williams Park.

The theme is "Those Were the Days" and the old-fashioned fun will last from 1 to 7 p.m.

It includes entertainment, free swimming, live music, square dancing and games for children.

AFTER TWO minutes of the nation-wide ringing of church bells, the parade will begin at 1:02 p.m. from the high school parking lot. There are so many units and floats that it should take an hour or more for all of them to pass the reviewing stand.

The parade will proceed north on Main St. through the business district to North Ave., then west to Hillside, through

Sequoia Terrace subdivision, and ending on Poplar Ave.

Entertainment at the park will begin immediately following the parade.

A square dance demonstration will be given by members of the Antioch Diamond Hashers and the Lake Promenaders of Grayslake.

The high school and grade school bands will present short concerts. Hot dogs, beer, brats and sauerkraut will be sold all afternoon at reasonable prices.

MANY DIGNITARIES from the area will be on hand, as well as former trustees of the village and past mayors.

At 3 p.m. the University of Wisconsin-Whitewater theatre and dance group will present a one-hour presentation in the parking lot of the Antioch Aqua Center. All events will take place at this area.

Please turn to page 2

LEADING UP to Antioch's big Fourth of July celebration on Sunday, you might see some pleasant surprises around town this week. For example, Police Chief Jack Wells (right) clad the way Antioch's lawmen might have been dressed when the village was founded in 1892. And the ladies at the village hall (left to right) Shirley Gutowski, Kathy Toft and Marilyn Sterbenz, wearing old-fashioned attire to get people into the Bicentennial mood.

Parking Meter Poll Is Planned

Before Antioch's parking meters are removed, a poll will be taken of downtown businessmen to see if that's what they want.

At last week's village board meeting, the trustees decided to remove the meters and replace them with signs, perhaps limiting parking to two hours.

The village board was acting on a suggestion by the Chamber of Commerce and Industry's board of directors. However, other businessmen said later that maybe they want the parking meters to stay.

Trustee Mike Haley said this week that no action will be taken until a poll determines the consensus of opinion of all businessmen affected.

Fireworks In Lake Villa

Lake Villa's annual Fourth of July fireworks display will be held at 8:30 p.m. Sunday at Lehman Park.

Antioch Plans Big July 4 Celebration

Continued from page 1

Games are planned for children from 4 to 6 p.m. as well as square dancing from 4 to 5:30. All square dancers are invited to attend and join in the festivities.

To top off the day, the Lake

County Sweet Adelines will give a half-hour presentation of barbershop-style singing.

There will be free swimming from 1:30 till 8 p.m. for everyone.

All of Antioch's eight churches will have their usual Sunday services, with special emphasis on the nation's 200th birthday.

Square Dancers Set for July 4

The sounds of music, calling and laughter rang from the gym at the Lower Grade School last Wednesday night as the Antioch Diamond Hashers and the Grayslake Lake Promenaders practiced square dancing for the demonstration of the national dance at the Antioch Bicentennial celebration on Sunday, July 4.

The demonstration will be presented from 2:30 to 3 p.m. behind the Scout House with live music furnished by the Blue Grass Friends.

the way to Victory Memorial hospital, and was the second baby that arrived in a rescue squad ambulance in the last two weeks.

The baby boy is doing fine but the rescue squad men may be getting a little shaky.

All told, the rescue squad made 13 calls last week. Their total for the first six months of this year is a tremendous figure ... 347 calls for accidents, first aid and other emergencies.

Jaycees To Finish 'Hold-Up' on July 10

The Antioch Jaycees said Monday they would like to thank the generous people who were "held up" during their 4th annual Hi-Way Holdup Project last Friday.

As in past years, the project was set up to run through Saturday.

"Due to unforeseen circumstances we were unable to complete the "Hold-Up" on Saturday," said Jaycee president Paul Kinas. "So we have rescheduled the completion of this project for Saturday July 10. If we missed you the first time around, we ask your support on the 10th. The proceeds of this project are used to augment our youth program."

THE DIAMOND Hashers' Square Dance club will hold an open dance on Friday, July 9, at the Antioch Lower Grade School gym, at Main and Depot streets in Antioch.

Dancing will start at 8:30 p.m.

Maple Tree Statements Questioned

There have been some misleading and dangerously incorrect statements printed in the last two issues of the Antioch News regarding cottony maple scale and its treatment.

1. "Malathion is not very toxic." Oh no? Check the label at the hardware store.

2. "It won't harm paint, pets or children." Again read the label. We always give specific warnings and instructions how to properly deal with residue of the spray. If left on cars it will spoil paint slightly. See our trucks for instance.

3. "It won't do any good for a resident to hire a professional firm because it won't be effective unless his neighbors spray, too."

It doesn't work out that way, however. We can show you many, indeed most of the trees we have sprayed in Mundelein, Libertyville and Antioch areas, that have flourished after spraying during the last three years of this epidemic, although their neighbors didn't spray.

Many of those neighbor's trees are dead or dying and the ones we have treated are 80 percent or more free of insects and in fine shape.

For severely damaged trees we advocate also a heavy liquid root-feeding. The insects have drained the trees so badly that, in many cases, they won't make it regardless of spraying unless fed.

We also wish to point out to the public that no one except a licensed tree expert may feed or spray a tree in the state of Illinois except municipal employees working on village trees. Beware of unlicensed spraying. It is against the law of the state of Illinois.

There are four licensed tree experts in the Antioch area at present: Professional Tree Service, Joe Meyer Tree Service, Dick Waters Tree Service and Art Aeverman.

Make sure your valuable trees get the best professional care. They cannot be replaced in a lifetime.

Owner of Professional Tree Service

Says Coles' Appointment Is Illegal

I cannot believe the absolute political corruption which exists in northwestern Lake County.

Not only have the citizens of District 4 been plagued with the embarrassment of the indictment and conviction of one of its county board members, Ronald Coles, but also with the outrageous act of the Republican committeemen in appointing Coles' wife to fill his vacancy on the board.

Are there no other persons of upstanding character and knowledge in District 4 who could and would do a better job of representing the district?

To continue a course of absolute corruption, the Lake

BARRY GOLDWATER

Some Work Harder Just
To Support the Lazy

By SEN. BARRY GOLDWATER

In the early days of the New Deal we heard a lot of talk about a redistribution of the nation's wealth.

I believe many politicians went around the country mouthing that phrase without ever realizing what it might mean for this country in the near or distant future.

The conclusion I have come to is that what President Roosevelt was involved in was a deliberate attempt to change the social order of the United States.

Having lived through those traumatic days, I'm not going to say our social order did not require changing; neither am I going to say we have accomplished a great deal in moving our society along the road.

But I will say that the question that bothers me most in the whole general field of social endeavor wasn't even considered 40, 30, or even 20 years ago. That question is whether a new social order in the United States can be sustained by the efforts of a few industrious citizens.

IN SHORT, I am plagued with wondering whether the few can provide for the many.

Now, if we say they can, we

Bicentennial
Photos Planned
In Lake Villa

The public library in Lake Villa will capture the Bicentennial spirit on film Saturday when residents of the area are invited to pose for pictures.

The hours will be from 10 a.m. to 5 p.m. and persons will pose behind painted plywood forms of American Revolutionary ladies and soldiers. The photographs will be taken by library staff at a cost of 50 cents for two color prints. There is no charge for residents who bring their own cameras.

The library is at 117 Cedar Ave.

are saying that the money produced by a decreasing percentage of our population is supporting an increasing percentage of the population. If this could happen to any degree, then where is the breakline?

In other words, at what point do we find that the social order can no longer change solely as the result of an expenditure of money? Or, if we admit the social order has not been changed in geometric proportion or even in direct proportion to the expenditure of money, when does the whole structure break down?

IF ANY civilization in the history of the world has ever solved this question, I have never heard of it. And believe me, we are not, by any means, the first civilization that has recognized the problems of the poor, the underprivileged, and the people who are denied the same advantages that others enjoy.

This lack is no fault of some of the people affected; but there are those who find themselves on the short end because they are just plain lazy.

The civilizations to which I have referred tried, just as we have tried, to correct these conditions. But they never seemed to succeed.

Consequently, would it not be wise for us at this point in our history to take a long, hard look at the successes we have had in changing the social order and, more importantly, at the failures we have experienced?

Only then can the right changes be made - if indeed they can be made at all.

This question, then - whether we can change our pursuits so that failures can be avoided - becomes a very important one for those in power in the federal government. Certainly the government must be strong enough to prevent further detrimental actions in this area of fiscal irresponsibility and to produce whatever changes are needed to correct present conditions.

There doesn't seem to be any evidence of the courage it takes to stand up to those forces in this country who are demanding, just as all eventually unsuccessful civilizations have demanded before, that fewer and fewer of the people work harder and harder to support more and more of the people who are not working.

Letters

Continued from page 3

Villa Township board waited for many weeks after the conviction of township supervisor Coles, now a convicted felon, to appoint someone to fill the vacancy for supervisor. At the June 23 meeting of the town board, Coles' position, declared vacant, was up for appointment for his unexpired term. The town board has, according to the Illinois state constitution and the Illinois state statutes, made an illegal appointment in allowing the vacancy to be filled by Coles.

According to the Illinois constitution, 1970, article 13, section 1, Coles is disqualified from holding any public office. He has been convicted of a crime, as such is a convicted felon, and can hold no public office created by the constitution.

Chapter 102, section 120, of the Illinois state statutes again states that upon conviction of an infamous act a public official must relinquish his office.

Coles' own attorney, George Collins, summed it up very well in explaining why Coles will appeal his conviction:

"My client can't hold any one of 600 different jobs as a result of this conviction. He can only be a common laborer or a president of a large corporation," Collins said.

Any and all business conducted by the Lake Villa town board may very well be declared illegal. Any number of repercussions could result from such a thoughtless and untimely appointment to fill his own vacancy.

As a citizen of Lake Villa township and as a candidate from District 4 for county board, I am sickened by the lack of integrity of the Republican machine and the township officials from northwestern Lake County.

I can only ask "what next?" What hold does Coles have over the Republican organization and the town board, that they all must continue to be a part of his kind of politics?

Jean Montrimas

"...Happy Birthday To Me..."

Editorial

Gerald Ford Gropes
With FDR's Legacy

The arguments Franklin D. Roosevelt and his team of liberal advisors used on behalf of the WPA sound faintly familiar when repeated today.

Harry L. Hopkins, then head of the Federal Emergency Relief Administration and a close friend of the President, assured the nation that direct relief - or a dole - maintains life "not at a subsistence level, but at a level of deterioration."

He spoke emotionally of the "loss of skill, the loss of work habits, muscle, and resolve," to say nothing of the individual American's loss of his sense of importance to himself and his family - and to society - should the dole become permanent.

IN VIEW OF what has happened since, perhaps Hopkins' most memorable statement was this:

"The most ominous threat which the unemployed can hold over the present structure is that they should as a class be perpetuated, unwillingly unproductive, and held in a straitjacket of idleness."

Hopkins was right, as we now know. For, with the energetic help of social engineers working for the federal bureaucracy, several generations of unemployed have been peopled with the kind of "relief recipients" he described, and who now heavily influence elections.

But few government officials or members of Congress thought this could or would happen at the time, and as a result, the legislation that was to lay the foundation for the welfare state of today zipped through the Congress with huge majorities.

THIS WAS a very crucial period in the history of our nation. It was the time when Uncle Sam moved into social

70 YEARS AGO: JUNE 28, 1906

Crushed by the weight of the severe and unexpected sentence of a \$5,000 fine and one year's imprisonment, the maximum under the law, five Toledo ice dealers, convicted of operating a trust, occupy the second floor corridor in the county jail awaiting commitment to the work house.

Notice is hereby given to all property owners, occupants or renters in the town of Antioch, to cut all Canada thistles and noxious weeds growing on their land before allowing the same to mature seed. George Brown, Thistle Commissioner.

50 YEARS AGO: JULY 1, 1926

More than 500 persons met Tuesday seeking immediate action for the outlining of Route 173. It was one of the biggest meetings ever held in Northern Illinois in the interest of cement road building. Representatives from Zion, Antioch, Channel Lake, Richmond, Harvard and other communities attended. Mr. Abt, president of the Antioch Business Club, gave figures on traffic conditions and the number of cars that pass through Antioch on a weekend. In 48 hours, 13,441 cars traveled over south Main, 10,539 over north Main and 6,525 over Lake street. The high peak of cars was on Sunday from 3 to 4 p.m., and during the 48-hour weekend local filling stations sold 7,403 gallons of gasoline. The total number of cars checked by local firemen and other crews was 30,505, an average of one every 12½ seconds on Lake street.

A very serious accident occurred one mile south of Lake Villa last Saturday evening when some intoxicated drivers ran into a Rickenbacker Sedan, causing the car to turn turtle and injuring several of its occupants. Four were small children. The extent of their injuries is not known as they were rushed to the hospital.

The Lake Villa Thistle Commissioner is out attending to his duties, reminding farmers to cut all thistles found growing on their premises.

20 YEARS AGO: JUNE 28, 1956

Antioch School District 34 had the lowest tax rate of the 50 districts in cities and villages in Lake County, says Walter J. Smith, chief clerk in the county tax extension department.

10 YEARS AGO: JUNE 30, 1966

Frank Kuechenmeister of the Antioch Fire Department was elected president of the Lake County Firemen's Association at a meeting held last week in the Bonnie Brook Fire Department building.

This week at the Antioch Theatre: Elvis Presley in "Frankie and Johnny," and "Those Magnificent Men in Their Flying Machines."

Business Climate Bothers Thompson

A series of 10 regional job development committees designed to improve the health of Illinois' business climate have been proposed by James R. Thompson, Republican candidate for Governor.

Thompson said the committees would strive to answer the question:

"What can state government do to retain and attract jobs for its people?"

Speaking at the Palmer House in Chicago, Thompson

said:

"I will not accept the defeatist attitude that I have heard expressed about our business climate. We represent the market center of the nation. And the statistics prove my point."

Thompson called for turning present business trends around in Illinois. Those trends, he said, include:

- For the first time in 40 years, unemployment in Illinois has exceeded the national average.

- Capital formation, or job creation, has been proceeding in Illinois at a zero growth rate.

- The state work force has begun to shrink. Recent statistics show that Illinois is losing manufacturing jobs to other states at a rate of one percent a year.

- Illinois' percentage of the nation's personal income is going down, and per capita income is increasing at a rate which is below the national average.

"The story is sad and alarming," Thompson said. "We cannot afford to sit back and hope that things will be better. We cannot afford to lose another job, another manufacturing concern or another business of any kind."

"The state, as well as local communities, can provide financial aid for existing plan expansion; we can create tax exemptions for expanded inventories and new equipment; we can provide investment tax credits; we can experiment with industrial revenue bond financing and reduced property tax assessments," he said.

"The ideas exist, but before we can implement them, we have to know precisely what it will take to attract jobs to the many different regions of Illinois," Thompson concluded.

U.S. Olympic Chief Has His Office in Antioch

By JODY PATROVSKY

Mr. Phillip O. Krumm, president of the United States Olympic Committee, has had his office in Antioch for the past three years.

All of his volunteered time will soon be rewarded. In less than three weeks, on July 17, the Games of the 21st Olympiad will be officially opened in Montreal, Canada.

Approximately 530 of the best athletes and coaches in the United States will participate in Montreal along with 128 other nations.

THESE ATHLETES and coaches are under the jurisdiction of the United States Olympic Committee, an organization of which Mr. Krumm was elected president in February of 1973.

Mr. Krumm, a long-time resident of the Antioch area,

PHILLIP O. KRUMM

began his Olympic affiliation through speed skating and membership in the United States International Skating Association.

His 17 year experience as a member of the Olympic Board of Directors earned him a vice-presidential position on the 10-member United States Olym-

pic Committee and then the presidency followed three years ago. Since then he has had an office in the State Bank of Antioch building.

After his term ends in February, Mr. Krumm will continue his Olympic interests on a three-member International Olympic Committee commission.

LAST WEEK, Mr. Krumm was interviewed by CBS television for its "CBS Morning News" program from New York. The interviews will be aired next week.

The United States Olympic Committee is responsible for the United States participation in the Olympic and Pan-American Games. Without the Olympic Committee there wouldn't be a team representing the United States.

The modern Olympic Games began in 1896 in Athens, Greece. Ten nations were represented by 285 athletes competing in only 10 men's sports. No women competed in the first Olympiad.

Eight years and 20 Olympiads later, Montreal will celebrate the Games with almost 130 nations and 21 official Men's and women's sports.

THE OPENING of these Olympic Games will be Satur-

JODY PATROVSKY of Antioch, a sophomore at Denison University, will be attending a Physical Education majors seminar for three weeks in Montreal during the Olympics. Her weekly reports will be published in the Antioch News.

...

day, July 17, at 3 p.m. EST.

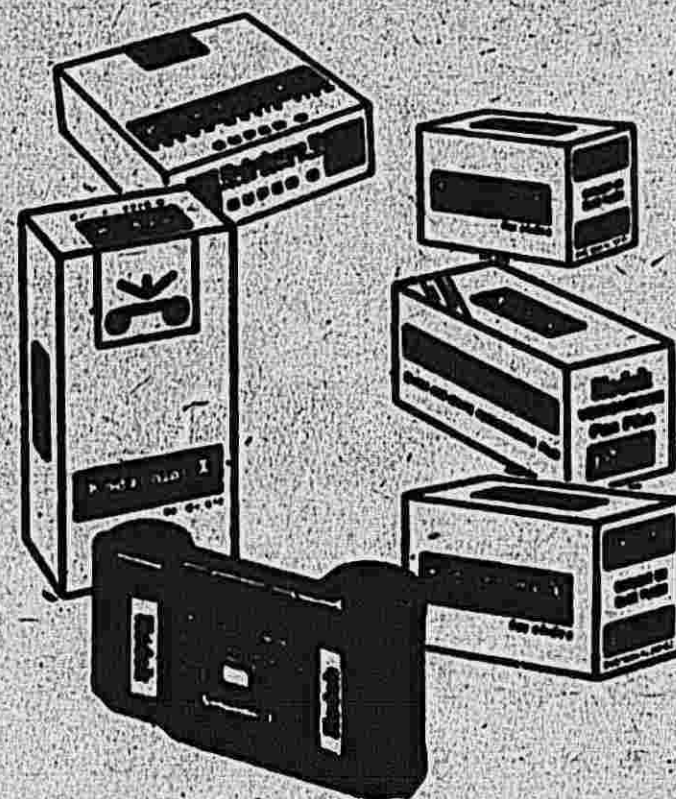

Fifteen days of international competition will determine the best male and female athletes in the world.

Five friends and I will be in Montreal witnessing these historic Games with millions of other people.

You, too should take part by watching the excitement of the 21st Olympiad on television and appreciate the endless hours of work volunteered by the United States Olympic Committee and, most of all, the athletes.

Editorial

Continued from page 4

engineering on a broad and very costly scale, and never came out; the time when we were lining up a long series of federal spending deficits that has caused the trouble with which President Ford is currently groping.

This is when Social Security got its start, and when the Congress enacted unemployment compensation, aid to dependent children, and many other programs that appealed to the liberals but still cost just as much of the taxpayer's money.

These were the times - in the midst of the Great Depression of the thirties - that actually required many costly attempts to help the needy. Nobody then ever thought these programs would become permanent. But they never stopped. The nation grew larger in terms of population, and the programs grew larger in terms of expense.

VERY FEW people today realize that it was World War II, not the New Deal program, that got us out of the 1930s' depression.

Hard as it is to believe, this nation went from an unemployment crisis in 1937 to a manpower shortage in 1940. It happened so fast that few even recognized the change.

However, one thing did not, and has not, altered, and that is "welfare." The monster which now threatens to devour us continues to demand and expect the government to finance its every need, regardless of the economic situation existing at the moment. The welfare population has become entirely dependent on government services financed by the industry of others.

Unquestionably, it is possible to do without happiness; it is done involuntarily by nineteen-twentieths of mankind.
JOHN STUART MILL

THE TOWN CRIER

Whether or not you like Secretary of State Henry Kissinger, you must admit he has a fine sense of humor.

Consider the following remarks by him at recent press conferences:

"I am thinking seriously about a television series of my own when - I mean if - I leave office. I had considered calling it 'Kissinger and Company,' but have thought better of it, since it would sound too much like what others have done.

Instead, I have a shorter title - one that will capture the imagination and thrill the viewing public. One that has a majestic ring pleasing to the ear.

We will call it 'Kissinger.'

Question: Mr. Secretary, I speak a broken English, and I hope that my message and my question will be understood properly.

Secretary Kissinger: People with accents give me great trouble.

Question: Mr. Secretary, would you comment on the charge made by Ronald Reagan that the Administration policy of detente is a one-way street?

Secretary Kissinger: I first of all want to make clear that I am using the word only in response to a question, so let me explain what the policy that used to be called "detente" involves.

MILTON PIKARSKY, head of the Regional Transportation Authority, apparently never read Shakespeare.

If he did, he forgot one of Shakespeare's best pieces of advice:

"Brevity is the soul of wit."

We have, threatening to crack our desk in half, Pikarsky's 300-page document "responding to allegations made by suburban members of the RTA board."

It is thicker than our diction-

ary and almost as thick as the World Almanac. Actually, it's the same size as our Bible.

Pikarsky's statement defies reading and they certainly aren't going to make a movie

The Antioch Fire Department wishes to thank all those who bought tickets and contributed prizes to help make our 63rd annual dance a tremendous success.

We sold a record number of tickets and last Saturday night's dance at the fire station was probably the biggest and best we ever had.

THANKS,

Charles (Tod) Maplethorpe
Fire Chief
Village of Antioch

MRS. TODD BUXTON

Melanie Daluge Weds Todd Buxton Here

Melanie Daluge became the bride of Todd Buxton on Saturday, June 12, at Calvary Baptist Church.

Melanie is the daughter of Mr. and Mrs. Vernon Daluge of Rt. 4, Box 38, Antioch; and Todd's parents are Mr. and Mrs. Herbert Buxton of Rt. 4, Box 360, also of Antioch.

They were united in marriage by the Rev. Woodrow Wilson. Kathy Schoeziel served as maid of honor and the best man was John Buxton.

Bridesmaids were Melinda Smith and Ruth Grown, and Julie Buxton was the flower girl.

John Buxton was ring bearer and the ushers included Dave Lorenz, Troy Jordan, Bob Schroeder and Rudy Schoeziel. After the wedding a reception

was held at the Antioch Legion Hall.

The new Mr. and Mrs. Buxton are living at 768 Knight Ave. in Waukegan.

Town Crier

Continued from page 7

about it. We hope the taxpayers enjoy paying for its preparation and distribution.

We can't believe a man as highly-paid as Milton Pikarsky isn't smart enough to realize he shouldn't take 300 pages to justify the job he is doing.

Well, here it goes into the wastebasket. Our apologies to Conroy Disposal, which hauls away our garbage.

Apparently, Antioch is going to be "waitin' for the RTA" until Pikarsky gets done writing.

If a civil word or two will render a man happy, he must be a wretch indeed who will not tell them to him.
WILLIAM PENN

Civility is a charm that attracts the love of all men.
GEORGE HORNE

Democrats Plan Antioch Golf Day

The first annual Antioch township Democratic Golf Day has been scheduled for Wednesday, July 21.

It's an opportunity for Democrats and friends of Democrats to meet each other.

Tee-off times will begin at 8 a.m. at the Antioch Country Club.

The "19th hole" will feature

a dinner at 7:30 p.m. and conversation with candidates.

The event is open to the public. Make reservations early.

Call 395-3050 or 395-5074.

Need For Foster Parents

Have you been thinking about becoming a foster parent?

Central Baptist Children's Home in Lake Villa has children waiting now for placement in foster homes.

"Summer is the ideal time to open your home to a youngster, so please don't wait until next fall or winter to call. Join the growing ranks of dedicated people who are serving in this vital community role," said Nan Nelson, a spokesman for the Children's Home.

Homes are especially needed for children who are 12 years old or older, which will be stable, long-term placements.

Some of the children needing homes have mental or physical handicaps which will require a special kind of care. There is also a very critical need for temporary or emergency homes to provide short-term care for a few weeks or months.

"The financial remuneration for foster care is modest, but the rewards for helping a young person to a better life are immeasurable," Miss Nelson said.

Both couples and single parents can contact the agency office, 356-3143.

We should often be ashamed of our very best actions, if the world only saw the motives which caused them.

L.A. ROCHEFOUCAULD

Moose Lodge Plans 5 Summer Events

The Antioch Moose lodge will be open as usual on Sunday, July 4, America's 200th birthday, according to Jim Page, governor of the local lodge.

"An invitation is being extended to our city's parade participants to use the Moose home's facilities to change their parade clothes and to enjoy coffee and sandwiches served by a group of the Women of the Moose headed by Senior Regent Norma Lowe," Mr. Page said.

The Loyal Order of Moose is having another "Bubbly Breakfast" on Sunday, July 18, from 9 a.m. to 12 noon. Jack Palmer and a crew of chefs will prepare the breakfast. A small donation is asked to defray the cost of the "bubbly." An enrollment of new members will follow the breakfast.

The men are working with the Women of the Moose on a Bicentennial dance Saturday, July 31. Dancing will begin at 9 p.m. with Guy Gange and His Blue Notes providing the music. Refreshments will be served.

Sunday, Aug. 15, is the date of the annual Moose picnic. There will be games for all ages. Moose members are urged to sign up their children prior to the picnic to assure ample prizes for all the youngsters.

Moose members' teens are invited to a "Back to School" dance on Saturday, Aug. 28. "Our Way" will provide the music. Each member's teen is allowed one guest. The band will begin at 8 p.m. and there will be refreshments.

Now shepherds drive their flocks into the shade.

Gather herbs you wish to preserve through the winter... U.S. Marine Corps created by Congress July 11, 1798... Full moon July 11... Dog days begin... Average length of days for the week, 15 hours, 10 minutes... Salvation Army founded July 9, 1865... Declaration of Independence read in Philadelphia July 8, 1776... It was 120 degrees in South Dakota July 5, 1936... Success is a journey, not a destination.

Ask the Old Farmer: Can you tell me why many early American tankards had glass bottoms? E.R., Newark, N.J.

Places where liquor was sold in ancient times were frequented by devious characters. It was good sense, therefore, if a man could see through the bottom of his mug as he drank, and thus avoid surprise.

Home Hint: To clean a vinegar cruet that has become cloudy, fill with water, add a little ammonia, let stand for several hours or overnight, then rinse and clean with hot water.

OLD FARMER'S WEATHER FORECASTS

New England: Week begins hot, then rain; latter part clearing inland and cooler.

Greater New York-New Jersey: Clear and hot at first, then thundershowers; week ends cloudy and warm.

Middle Atlantic Coastal: Sunny and hot to start, then scattered showers; rain latter part, then cooler over weekend.

Piedmont & Southeast Coastal: Early week hot, then cooling gradually with rain latter part, occasionally heavy in west.

Florida: Showers in north to midweek, then sunny and cooler; frequent rain in south latter part.

Upstate N.Y.-Toronto & Montreal: Showers at first, then clearing and hot; latter part cloudy and cooler.

Greater Ohio Valley: Week begins sunny and hot, then cooling showers by midweek; sunny and very warm latter part.

Deep South: Rain in south and east all week; cooler in north, with rain only midweek.

Chicago & Southern Great Lakes: Showers at beginning, moderate to heavy in east, then some cooling; stormy, hot weekend.

Northern Great Lakes: Periodic showers all week, light in west, moderate to heavy in east; mild temperatures at beginning of week, hot at end.

Central Great Plains: Early part of week rainy and much cooler, then sunny and hot by midweek; showers in north latter part.

Texas-Oklahoma: A few showers to midweek; sunny and hot in north, rain on Gulf latter part.

Rocky Mountain: Mostly sunny and hot with scattered showers all week; cooler in north by midweek.

Southwest Desert: Early week partly cloudy and near normal; clear and very hot in west over weekend.

Pacific Northwest: Cloudy and cool with light rain by midweek; sunny and warm at week's end.

California: Cloudy at first, then drizzle in south; clearing and very hot latter part.

LOTS OF GIFT CERTIFICATES to spend ... that's what winners of the Shopping Spree have. At left is Jack Siegmeier, manager of the Four Squires clothing store and president of the Antioch Chamber of Commerce and Industry, which sponsored the Shopping Spree. Next to Mr. Siegmeier is Laura Stewart, who won \$100 in \$5 gift certificates to be spent at participating stores. Third from left is Rosalie Dean, who also won \$100, and at the right is Delores Palmer of Rainbow Lake Manor, who accepted \$250 in \$5 gift certificates for her husband, Ray, the grand prize winner. Ray was at work when the photo was taken.

Bicentennial Mass at St. Peter's

St. Peter's parish will celebrate the nation's 200th birthday with a Bicentennial Mass at 9:30 a.m. on Sunday, July 4.

The parish liturgical committee, under the direction of Rev. Robert Melcher, has planned a liturgical celebration in the Bicentennial theme.

A procession will assemble at 9:15 a.m. Persons who have historical or period costumes and would like to participate in the procession and the Mass should be at the church by 9:05.

Fr. Francis Johnson, pastor of St. Peter's church, said that Fr. Ralph Starus of the Archdiocesan Office of the Laity will visit the parish soon to discuss with the staff and parishioners the formation of a parish council.

Parishioners will be notified by letter of the date and time of the meeting.

A majority of the parish should be represented at the meeting, so please plan to attend, Fr. Johnson said.

Spotlight on HEALTH

DENTAL FACTS

—The first recorded reference to dentistry is a Babylonian cuneiform inscription from about 2,000 B.C., exorcising the "tooth-worm," which was believed to be the cause of dental decay until as late as the 18th century.

—In the 18th century full sets of dentures were carved by goldsmiths, who set human or animal teeth in an ivory base. The human teeth were sometimes obtained from corpses by body snatchers.

—The cost of false teeth was brought within the reach of most people in 1855 when Charles Goodyear made the hard rubber compound vulcanite, which was used for artificial dentures.

—The toothpaste market currently amounts to well over \$300 million per year in consumer sales — more than double its size in 1955.

—There are an estimated 600,000 dentists in the world. Some areas have only one dentist per million people. In the United States there is one per 2,000 inhabitants.

• The first English language daily newspaper, "The Daily Courant," was founded in 1702 by a woman, Elizabeth Mallet of London.

A NEW "DOLL" has been added to the staff at Guys & Dolls Hairdressers, upstairs at 391½ Lake St., Antioch. Sandy Norwood (center) has joined Audrey Fox (left) and Pat Hyerdall (right) in the new shop that specializes in men's and women's hairstyling.

Along the way with ANNIE MAE

Most people must wait about 10 years for tickets to Bozo's Circus - the waiting list is that long - but it looks as if 10 Antioch people will be going to the noon-time TV show within one week.

Al and Marge Nelson of Nelson Electric ordered the tickets eight or nine years ago and finally received them. Having no youngsters, they offered the 10 tickets to the highest bidder.

And it turned out to be Glenda Tomaschik of 205 Forest Court. Glenda offered \$100 for the tickets, and the Nelsons will donate the money to the Antioch Rescue Squad.

The tickets are for Wednesday, July 7, so viewers can tune in Channel 9 and look for Antioch people in the audience on that day.

Glenda, of course, can pick up the tickets at the Antioch News office, where Marge Nelson has left them in our care.

WHAT DO YOU want to know about finishing furniture? Just drop us a line and your question will be answered in a new column, "Furniture Clinic," by

Janet Miller of the Unfinished Business store on Main St.

The column begins next Wednesday, July 7, and will be a question-and-answer feature. Hurry up, furniture fans, send your questions to the Antioch News, P.O. Box S, Antioch, IL 60002.

HAPPY ANNIVERSARY to Myrus and Helen Nelson of Victoria St. Lifelong residents of Antioch, they will be celebrating their 45th wedding anniversary on Thursday of this week.

TWO COUPLES, four friends of ours, are celebrating their wedding anniversaries on the Fourth of July: Pete and Glenda Tomaschik, and Ray and Judy Kerby.

Homer LaPlant, of course, celebrates his birthday on the Fourth.

We just passed Dr. Ed Warner's birthday last Saturday and Don Gaa Jr. last Sunday ... but happy birthday anyway, you guys.

Ben Albergo has a birthday coming up this Friday, the 2nd, and next Tuesday, the 6th, is the

birthday of Dave Rush and Donna Gutowski.

We hear Dave is doing a super job with the very talented "Music! America!" group which is wowing the crowds at Marriott's Great America.

ONE OF OUR local firemen will be celebrating his 40th birthday this week.

George Pahlke will begin his life-beginning year on Saturday, July 3. He and his wife, Marge, also celebrated their 19th wedding anniversary on Tuesday of this week.

If life doesn't begin at 40 it's because you went like 60 at 20.

We should have mentioned it last week, but better late than never ... Wednesday, June 23, was Pete Leider's birthday. We'll make a note of it, so we don't forget next year and will be on time with our birthday wishes for Pete.

CRYSTAL MARIE Schumann is brightening the home of Karen and Buster Schumann, who run Buster's Drive-In on North Ave. The baby girl was born June 17. Congratulations to the proud parents.

HEAR TELL Mrs. Betty Paskiewicz of Chicago and her daughter Ora and family, from Texas, spent a weekend here with Mrs. Emma Jarnigo.

Ora and her husband attended the Antioch High School reunion held on Saturday night, June 19.

Antioch Diamond Hashers square dancers are putting the "spit and polish" on their dancing in preparation for the demonstration they will present for the local Bicentennial celebration on July 4.

In addition to the demonstration, they will be dancing along the parade route on the float they have entered in the parade. Music will be furnished live by the Lake County "Blue Grass Friends," and calling will be the popular Cliff Benson from Chicago.

Pay Hikes Given At High School

The Antioch High School board of education last Thursday approved salary increases for administrators, averaging 2.18 percent, and also for non-certified employees, averaging 8.34 percent.

The increases will total \$35,717.

Negotiations on teacher's salaries are expected to be reported on at the next board meeting.

Action also was taken last Thursday to replace the 18-year-old choir robes with the purchase of 100 new robes at a cost of \$2,636.

The board approved purchase of equipment in the education, building, transportation and life safety funds in the amount of \$41,105.

It also accepted low bids of Goldenrod to supply ice cream, Spinney Run for milk, Antioch Firestone for bus tires, Maco for roofing materials and Diamond Chemical for custodial paper products.

The board then approved the employment of Teresa M. Dempski to teach Spanish and coach bowling; also Jeffrey J. Dresser to teach physical education and business education, plus serve as assistant coach in basketball and track.

Information to remind senior citizens to apply for complimentary passes to all school sponsored events will be publicized soon.

Business manager Kenneth C. Wierschem will seek bids for sealing the east parking lots at the high school.

Principal Arthur E. Blecke reported summer school enrollment included 157 students paying tuition for 225 semesters of course work. Another 298

students are enrolled in non-tuition programs, namely, driver education, peer counseling, and the Title I program. Students enrolled in 296 semester credit courses during the summer of 1975.

NEW RESIDENTS of Antioch Community High School District, who will be entering the high school for the next term, are asked to come to the high school to register as soon as possible.

Late registrants will suffer limitation on course selection.

Antioch High School's 1976 graduates and prior graduates qualified and interested in attending a state university in the fall, can apply at Eastern Illinois University, whose admissions office has announced the availability of additional space.

Qualifications are available from E. L. Kurek, director of Curriculum and Guidance.

Bad News: 70 Cents A Gallon

Average prices for a gallon of gasoline continue to rise.

Prices throughout Illinois are at 1976 highs, and for the first time this year some service stations in Chicago are charging more than 70 cents for a gallon of premium gasoline.

In the rest of the Chicago area, the average price of a gallon of regular increased three-tenths of a cent to 61.6 cents, while premium rose four-tenths of a cent to 66.8 cents.

ABC's of Travel

By BARB CORBIN

TRAVELORE TIPS YOU SHOULD KNOW: Newest complaint from returning visitors to Mexico City, taxi meters that don't run!

Under state law, most taxis equipped with meters are required to be in operation when being boarded by passengers. Yet, an abundance of drivers avoid using meters with the aim of increasing fares by quoting prices to destinations instead of relying on the reading of meter.

Whenever boarding, insist on the meter being turned on, or else leave. Similar situations exist in Madrid, Spain. Here, only use taxis with red band on outside. These are the only ones metered.

RETURNING TO its quiet self, Portugal is now ready for tourists. Here is value, weather, choice hotels and beaches still among the best in the world. Previous political unrest is totally removed, yet many tourists have not yet returned. This might be a great place to consider now if you want value and not a big crowd of tourists.

AT LONG LAST a beginning on solving long distance telephone call problems from abroad.

Biggest complaint, hotel surcharges often equalling cost of phone calls from abroad to U.S. If charging call to hotel bill, surcharge to be moderate percentage of cost of call with maximum charge, \$6. If making collect calls or credit card calls from hotels there is also a flat surcharge of around \$1 to \$2.

Be sure and check with the hotel prior to making any calls. This can save quite a bit of money.

WHEN YOU need money in Belgium, it's best to cash a fairly large traveler's check. That's because the banks charge a minimum fee of about \$2.25 each time a traveler converts a check, no matter how much it's for.

In an effort to bolster its foreign reserves, the Jamaican government has rules that visitors must pay hotel and car rental bills in other than Jamaican currency. An exception is made if a tourist has a receipt to prove he exchanged his country's currency at a bank.

Hope the few tips above might have protected some of your future travel investments. Happy vacationing.

Sun and Skin Cancer

"The sun is the major culprit in skin cancer," said Dr. Vern Zech, president of the Lake County Unit of the American Cancer Society.

"It is possible to learn how to live with the sun, and not merely hide from it," he added. "But the hazards of overexposure to ultraviolet solar rays cannot be ignored." Conceivably one case of sunburn could lead to skin cancer,

Dr. Zech stated. However the effect of ultraviolet radiation usually is cumulative, and the sooner one treats the sun sensibly, the better his chance of staying out of trouble.

THIS YEAR, the American Cancer Society's Lake County Unit volunteers were seeking a financial goal of \$211,724.

Mr. Graham Lant, 1976 residential chairman of the Lake County Unit, said that Antioch, with Mrs. William (Janet) Brook as the 1976 Crusade Chairman, has brought in (with the help of many volunteers) \$4,687.

Art Fair Coming Up July 11

Hundreds of art objects will be on display Sunday, July 11, when the 4th annual Antioch Arts, Crafts and Antiques Fair is held.

The hours will be from 11 a.m. to 6 p.m. in the village parking area near the water tower.

The event is sponsored by the Antioch Chamber of Commerce and Industry. Once again, the committee is headed by Elaine Oftedahl.

Both amateurs and professionals will exhibit their wares. Entertainment will be provided by the Antioch Grade School senior band, an autoharp band from Chicago and a group called "The Sweet Betsy."

Mrs. Oftedahl passed along some of the complimentary remarks made by exhibitors at last year's fair. They included:

"All in all it was a beautiful show, nicest I've seen."

"Your fair was well organized

and well run."

"We were pleased with the fair again this year."

"The fair was well organized; parking lots a good idea."

IN A LETTER to Chamber member, Mrs. Oftedahl said:

"We do again need as many donations as possible for the

JULY 2nd & 3rd

THE COMMEDIA PLAYERS of the University of Wisconsin-Whitewater enact the driving of the final spike as the railroads joined the country. Their presentation of "Yankee Doodle," a musical for children, will be given at the Antioch Aqua Center Sunday, July 4, at 3 p.m. "Yankee Doodle" tells the story of some 100 Americans significant in the country's history. It will be part of Antioch's old-fashioned picnic, "Those Were the Days," at the village park.

July 4 Celebration Here Includes 'Yankee Doodle'

The University of Wisconsin-Whitewater Commedia Players will present their production of "Yankee Doodle" at the Antioch Aqua Center, Sunday, July 4, at 3 p.m.

Admission is free. "Yankee Doodle" is a celebration of all the "Yankee Doodlers" in America's history and will be enjoyed by children of all ages.

The production will be part of Antioch's Bicentennial celebration on Sunday.

The musical review is a fresh

telling of a history which includes famous as well as forgotten figures and events. The creation of the ice cream cone, the discovery of chewing gum and the beginning of mass-produced Valentines are as American as the inventions of Thomas A. Edison and the signing of the Declaration of Independence.

The chronological events, with 100 Yankee Doodles from Paul Revere to Charles Lind-

bergh, are acted, sung, danced and mimed.

Woven into the script, Mort Stine's music emphasizes the appropriate historical period of each selection.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - A heavy schedule could dominate most of your time but try to avoid extending your energies to the hilt. Divide activities so there's ample time for personal pursuits, too.

TAURUS [April 20-May 20] - People are more apt to call on you to participate in new interests, as leadership qualities are prevalent now go ahead and make plans to expand.

GEMINI [May 21-June 21] - Although you're prone to be outspoken lately, it's best to think ahead before speaking out of turn. Let others have a say in important matters.

CANCER [June 22-July 21] - Personal endeavors are more likely and within your grasp now; new insight and a whole new perspective is indicated so be on your toes.

LEO [July 22-August 21] - Try not to scatter your attention in too many directions; there's a tendency to get sidetracked. Finishing up the most important details and obligations should have your wholehearted attention.

VIRGO [August 22-September 22] - Don't listed to or become a part of gossip; people are prone to misunderstand things you say now so don't permit a chance for things to be misinterpreted.

LIBRA [September 23-October 22] - Don't miss an opportunity to expand your social life; many interesting friends and relationships can now be formed. Continue to avoid hassles with superiors.

SCORPIO [October 23-November 21] - You may profit from the actions of mate or partner so maintain a good communicative relationship. It's still wise not to make hasty decisions, however.

SAGITTARIUS [November 22-December 20] - Most difficulties can be worked out to everyone's satisfaction so don't overreact to trivial family disruptions. An older individual may have some worthwhile advice.

CAPRICORN [December 21-January 20] - Faraway places hold special for you now but don't make impulsive plans without taking others into consideration. Make some contacts with distant relatives and friends before planning a trip or move.

AQUARIUS [January 21-February 19] - Don't look for unnecessary commitments; take on only the responsibilities that you are capable of handling with competence.

PISCES [February 20-March 20] - You are better at solving problems and tending to the detail work now so don't let a good talent go to waste. Enlist the assistance of a close relative whose judgment you trust.

Feasts in ancient India were at one time so lavish a law was passed restricting each repast to no more than three guests.

BAND RECEIVES \$200 - The Antioch Township Republican Women's club presented \$200 to the Antioch High School band for its July 16-17 trip to Minneapolis for that city's big Aqua-centennial parade. From left: band member Cheryl Porter; Jackie Olisar, treasurer of the Republican club; Thelma Anderson, president of the club; John

Olisar, director of the band, and Jerry Kennedy, another member of the "Sequoit Marching Band." Also donating money so the band can make the trip were the State Bank of Antioch, the First National Bank of Antioch, the Antioch Savings & Loan Association, and the Lake Villa Trust and Savings Bank.

High School Band Has Busy Summer

The 80 members of the Antioch High School "Marching Sequoit Band" have been busy this summer with parades

almost every weekend and getting ready for two concerts. One will help celebrate the Bicentennial Sunday, when

Antioch celebrates at the village park.

The second will help entertain at the art fair on July 11.

The marchers are excited about a big event coming up, a three-day trip to Minneapolis for that city's festival parade July 17.

Director of the band is John Olisar.

TV's Impact On Children

Your child may learn more from television than in school.

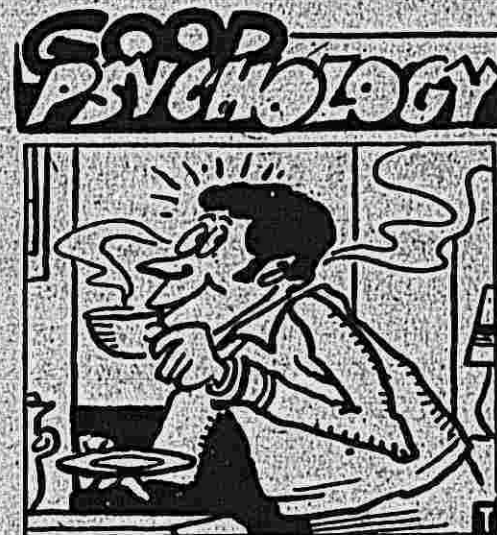

But instead of reading, writing and arithmetic, TV may teach children to ask for toys, sugared cereals, candies, cookies and soft drinks, says Betty Commean, University of Illinois Extension Service.

TV may also give children false impressions about the safety of vitamins, medicines and cleaning compounds.

"The average grade-school child spends 21 hours a week watching television - more than on any other activity except sleep. This time includes nearly four hours of advertising, exposing the child to as much as 22,000 to 25,000 TV commercials a year," Mrs. Commean says.

Critics of the effects of TV advertising say it promotes materialism or cynicism in children - especially as they get older - and undermines honesty, a value most parents want to foster in children.

"Advertising encourages children to pressure parents for things, and most parents feel this pressure is unethical and costly. In one survey mothers said they spent \$1.66 extra each week because children requested specific food products. This adds more than \$86 to the yearly food bill," Mrs. Commean said.

Helen Osmond Has Happy 80th Birthday

More than 100 persons dropped in at 950 Hillside Ave. in Antioch Sunday to help Helen Osmond celebrate her 80th birthday.

The birthday actually was last Wednesday, but Helen's family and friends picked Sunday as the date of the delightful "open house" party.

The Osmond family, of course, is part of Antioch's history. And so is the Naber family, which was Helen's maiden name.

Near Helen's home on Hillside is Naber St., developed by her father, Bernard. Her mother was Elizabeth Naber.

Also nearby is Osmond Ave., part of the area developed by Helen's late husband, Lester.

Helen also donated Osmond Park to the village, in Lester's memory.

In addition to all the guests she received on Sunday, Helen received a letter signed by all the members of the Antioch High School district's board of education. It said:

"Dear Mrs. Osmond: Congratulations on attaining your 80th birthday! On behalf of the present Board of Education, we wish you many happy returns. In checking the records, we find you served as secretary for our district in the years 1931 to 1939, and 1940 to 1952. We wish to express our appreciation for your many years of service to this district."

Incidentally, her son Bernard pointed out that his mother is still president of Osmond Enterprises, Inc.

Lakeside Lodge Has Busy Month

Members of Antioch's Lakeside Rebekah Lodge have been busy and traveling.

The last meeting of Lakeside was "appointed officers night." Officers from Waukegan, Highland Park, Crystal Lake and Libertyville were invited to participate.

Clare Horton and Mary Ellis planned the evening's entertainment.

Crystal Lake's officer's night was attended by Antioch's Mary Ellis, Clare Horton, Zella Larson, and Sherene Jones.

June 20 was guest night at Waukegan. Shirley Glenn, Noble Grand of Antioch, and other Lakeside members attended.

Members wishing to participate in the Fourth of July parade should notify Shirley Glenn.

Grade School Board To Meet

A special meeting will be held at 8 o'clock tonight (Wednesday) at the Antioch Upper Grade School.

School District 34's board of education will meet with an architect regarding work on the Lower Grade School building, and also open bids for a boiler at Channel Lake school.

At last Thursday's meeting the board accepted the resignation of Belinda B. Dittman, fifth grade teacher at the Lower Grade School, who served District 34 for 23 years.

IT WAS A FESTIVE occasion for the Osmond family Sunday when they celebrated the 80th birthday of their mother, Helen. From left:

Bernard N. Osmond, his wife Genevieve, Helen Osmond, and her daughters, Eileen Osmond Lewin, Mary Nevitt and Joanne Osmond.

NAMES IN THE NEWS

BYRON STATION LICENSING

IT'S ONLY JUST BEGUN - Before Commonwealth Edison's Byron nuclear station will be allowed to generate its first kilowatt of electricity for northern Illinois, the utility must shepherd the 2.2 million "kw" facility through a licensing procedure that just won't quit. While obtaining 25 separate licenses, approvals, certifications and permits (arrows on chart) from 13 different government agencies (identified by initials on arrows), Edison must weather seven public hearings.

After the plant is on line, on-site inspections and periodic reviews of operating logs continue through the lifetime of the plant.

Edison environmental engineers Tom Hemminger and John Petro are quite at home amidst the roughly 13,500 pages of detailed environmental and safety data on Byron Station. Copies of the voluminous reports are submitted to numerous government agencies and public bodies for study and comments. The Nuclear Regulatory Commission prepares the Final Environmental Impact Statement based on these reports and comments received from public hearings:

IDOT, incidentally, stands for Illinois Department of Transportation.

JOHN H. WHITE, son of Mr. and Mrs. Homer White of Antioch, has been named to the dean's list for the second semester at the University of Wisconsin-Platteville.

To be named to the dean's list, a student must attain a grade point average of 3.25 or better, based on a perfect 4.0.

Laurie Good, Antioch, was among 154 students who received the Bachelor of Arts degree at the 111th annual commencement of North Central College in Naperville on June 12.

The daughter of Mr. and Mrs. Stuart Good, 422 Harden St., Miss Good was awarded a degree in elementary education.

TWO ANTIOCH students were among 172 seniors graduating during MacMurray College's 125th annual commencement at Jacksonville.

They were Donna Lynn Kessler (bachelor of arts degree in Spanish), daughter of Mr. and Mrs. H. Richard Kessler, and David C. Koppa (bachelor of arts degree in physical education), son of Mr. and Mrs. Harold Koppa.

EIGHT STUDENTS from Lake Villa and four from Lindenhurst are on the honor roll released this week by the Carmel High School for Boys in Mundelein.

The Lake Villa students are Joseph Jaskowiak, Craig Nelson, Gary DeWald, Kenneth Thulin, David Nyre, Thomas Sullivan, Thomas Lorang and Joseph VonBruenchenheim.

From Lindenhurst: William Szczeniak, Richard Panek, Jeffrey Mertes and Thomas Neton.

DON AND HERMAN Kosh, co-owners of the Foremost Liquor Stores at 484 Orchard, Antioch, and 2062 E. Grand, Lindenhurst, were inducted into Foremost Liquor Stores' 15-Year club at the organization's 27th annual convention at Nippersink Manor in Genoa City,

Wis.

About 300 liquor industry officials attended the event.

Honoring the Kosh brothers were Foremost storeowners from Illinois, Florida and New York.

The Koshes also own Foremost Liquor Stores in Harvard and Chicago.

SUSAN ABDERHOLDEN, 400 Winsor Dr., Antioch, has been awarded a Bachelor of Arts degree at Macalester College in St. Paul, Minn.

The class of 1976 was honored at the college's 87th commencement ceremonies.

LOIS J. Geist, a sophomore at Trinity College in Hartford, Conn., has been awarded a varsity letter for the 1976 baseball season. She was a manager of the college's "bantam" team.

The daughter of Mr. and Mrs. Charles L. Geist of Antioch, Lois is a 1974 graduate of Antioch High School.

RICHARD S. PROCTOR, son of Mr. and Mrs. Richard A. Proctor of Rt. 3, Box 822, Antioch, received his bachelor of arts degree in mathematics, and economics and business, at Beloit College.

The college awarded degrees to 191 persons at its 126th commencement exercises.

MARTIN A. PHILLIPPI, a chemistry major, has graduated from Carthage College in Kenosha.

An Antioch High School graduate, Martin is the son of Mr. and Mrs. E. L. Phillippi of 562 Hillside. He graduated with cum laude honors.

GRADUATING FROM the University of Illinois at Urbana-Champaign recently was Fred L. Bobzien Jr., of 525 Winsor Drive, Antioch. Fred received his bachelor of science degree in the college of commerce and business-administration.

Two Lake Villa students also were among the Illinois gradu-

ates. They were David Fettingler and Marianne Pleviak, both earning bachelor of science degrees. David was in the college of commerce and business-administration while Marianne graduated from the college of fine and applied arts.

FIVE STUDENTS from Antioch and Lake Villa have been awarded degrees from Illinois Wesleyan University in Bloomington.

They are Pamela Hunley, bachelor of fine arts; Christine Kumler, bachelor of arts, and Karen Yopp, bachelor of arts, all of Antioch; Susan Dobslaf, bachelor of arts, and Barbara Polsgrove, bachelor of arts, both of Lake Villa.

Miss Kumler and Miss Yopp graduated with magna cum laude honors.

- If you have only one fire extinguisher in the home, where should it be kept?
 - Bedroom
 - Kitchen
 - Near a doorway
- In what part of the room should it be stored?
 - In a cabinet
 - Over the stove
 - On the wall away from the stove

ANSWERS

1. B. Kitchen
2. C. On the wall away from the stove

Many fires start here because of hot cooking appliances used daily. The furnace area and the garage are also important areas for a fire extinguisher. The extinguisher should be readily seen and available. A fire around the stove might make it impossible to reach it mounted near the stove. Do not "hide" it in a cabinet.

the Pfarr Corner

By JERRY PFARR

BAD NEWS for all you "lovers" out there.

The relationship between male and female can never be a love affair. It always has been, and always will be, a battle of the sexes - one that never can be won by either.

That's the word from Dr. Walter Garre, in his new book, "The Psychotic Animal."

The prominent Viennese-born psychiatrist says the relationship between man and woman must always result in a stalemate; coexistence only slightly better than quiet despair.

The root of the problem stems from childhood, says Dr. Garre, when each person's personality is formed; the formative years of programming from parents.

"The programming of individuals never can be identical," he asserts, "therefore, a resulting male-female union from two differently programmed computers can never be expected to arrive at answers that will satisfy either. The very best that can be hoped for is compromise."

DURING COURTSHIP, Dr. Garre says, people mobilize all elements within them to such a degree that they appear attractive and lovable to a potential mate. They suppress individual programming to the love object. But after union is a fact, the childhood programming re-emerges, and clashes result.

For a time, these clashes can be resolved through sex, Dr. Garre states. But, as children are born, the issue of dominant programming becomes very real.

The resulting fury manifests itself in body language, possibly in the form of illness. And, the more furious the mate is, the more severe the illness. Frigidity, impotence or even miscarriages are emotional responses to anger at the mate, Dr. Garre says.

Oh, well ... coexistence anyone?

"When in doubt, tell the truth."
Mark Twain

THE ROTARY CLUB of Antioch held its installation dinner at Hunter Country Club Monday night. Rev. Stephen Williams (second from right) was installed as the club's new president. His wife, Jo, is at the right. At left is David M. Benrud, district Rotary governor's representative from McHenry, and his wife, Vila.

OFFICERS OF ANTIOCH'S Rotary Club got together at their installation dinner Monday. From left: Vern Thelen, vice-president; Jim Hamlin, past-president; Homer White, secretary, and Rev. Stephen Williams, the new president. Charles J. Forster, the new treasurer, was out of town and unable to attend.

'White Knight' Races At Waukegan Track

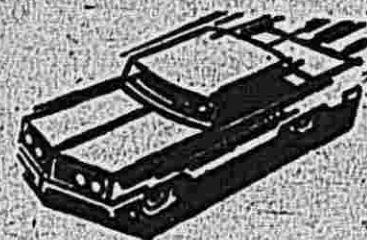

Dick Trickle is the latest entry in the "All-Star 200" stock car racing program to be run at the Waukegan Speedway next Monday night.

Trickle will attempt to break the Camaro string of wins at the track by entering his 1976 Ford Granada.

Trickle, who has more than 500 feature wins to his credit, drove the Granada to fourth spot in the NASCAR Patriot 300 on May 28 at the Charlotte Motor Speedway.

Now known as "The White Knight," the Wisconsin whiz joins a select field of top Midwest late model drivers who will be competing in the 100-lap model feature Monday at Waukegan.

There will be six other late model preliminaries, a 25-lap

super-modified feature, a 15-lap hobby stock feature, and a gigantic demolition derby to close the program.

Due to the huge agenda the first race has been moved ahead one hour to 7 p.m. Gates will open at 4 p.m. with qualification runs at 6.

A record purse, now topping \$8,000, awaits the drivers Monday and the most talented field ever assembled at the Waukegan quarter-mile is anticipated.

Auto Racers Battle for Point Leads

As mid-season nears for the various classes of cars racing on the Toft Auto Racing promoted Speedways, the point spread in all positions is narrowing.

Most change appears in the super-modified point standings which show Bill Repsold, Spring Grove, moving into fourth place following his two wins in feature races at Wilmet.

Sid Norton, McHenry, has moved to fifth position in the late model sportsman stock cars. His brother, Duke Norton, Wonder Lake, defending champion, is still holding fourth place even though he has not won a feature event this season.

A show of temper is never a hit.
FRANK TYGER

At the Lake Geneva Raceway, Larry Hicks, Lake Geneva, has moved into second spot to point leader Dave Watson, Milton, who missed his attempt to win a third straight feature win Saturday night. Tom Jones, Northbrook, was the winner and he moved to sixth in the point standings.

Mid-season racing starts this Saturday night at Wilmet for the super-modifieds who will race in twin 38-lap features. On Saturday, July 10, the late model stock cars at the Lake Geneva Raceway will compete in their mid-season championship race for 50 laps.

The late model sportsman stock cars at Wilmet will race in their mid-season championship event on Saturday, July 17. The event will be twin 20-lap

features.

The sportsman stock mid-season race at Lake Geneva will

be held Sunday, July 18:

Point leaders follow:

At Wilmet.

SUPER MODIFIEDS: 1. Dick Colburn, 2. Dave Bliss, 3. Ron Bergsma, 4. Bill Repsold, 5. Joe Kristan, 6. Jim Hedges, 7. Mike McNulty, 8. Dale Wilkel, 9. John Tierney, 10. Bob Robel.

LATE MODEL SPORTSMAN: 1. Ken Zeisse, 2. Ralph Rau, 3. Chuck Ostergaard, 4. Duke Norton, 5. Sid Norton.

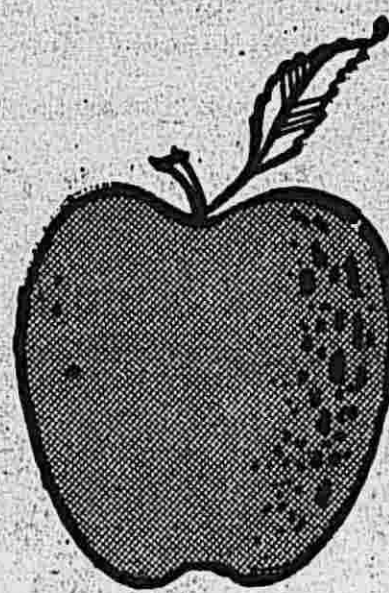

FURNITURE CLINIC

A new column, "The Furniture Clinic," by Janet Miller, will appear in the Antioch News starting Wednesday, July 7.

It will be a question-answer section. Please address your questions to the Antioch News, P.O. Box 5, Antioch, IL 60002.

ANTIOCH FIREMEN were called out at 5 o'clock in the morning last week to battle a fire in the garage behind "The New Place," Hy-83 and Grass Lake Rd. Chief Charles (Tod) Maplethorpe said damage to the garage section was heavy, but the tavern wasn't damaged. There is a masonry wall between the two buildings. Cause of the fire hasn't been determined yet. On the roof were firemen Wayne Parthun, John Horan, Bill Eckert and Capt. John Tegelman. (Paul Maplethorpe photo.)

Big Purse At Waukegan

The purse for the All-Star "200" next Monday night at Waukegan Speedway has now reached \$8,421, according to promoter John McKarns.

"The record purse includes more than \$800 in lap prize sponsorships already sold for the 140-laps of feature racing," McKarns said.

The 200 laps of racing in the Monday special, which starts an hour earlier than normal with the first race at 7 p.m., will be highlighted by a 100-lap late model feature, a 25-lap super-modified feature and a 15-lap hobby stock car feature.

A demolition derby will be the last event on the program. Gates will open at 4 p.m. Monday.

"With continued support from fan clubs and area businesses, the total purse could top \$9,000" McKarns forecast.

Monday's race has drawn entries from many of the top

stock car pilots in the Midwest including Larry Schuler, Tom Reffner, Ray Young, Dick Colburn, Tom Jones, Bay Darnell, Jerry Kemperman and Wisconsin's Dick Trickle.

Trickle will wheel the '76 Ford Granada which he drove to fourth spot at the Charlotte Motor Speedway in May.

The Waukegan track will also host the UARA midjets on Friday night, the late models with a 50-lap main event Saturday, and a special super-modified and mini-Indy card Sunday night, July 4.

Bob Robel set fast time last Sunday night as the skies darkened. Robel was clocked at 13.69 seconds for the paved quarter-mile. Dick Colburn was the night's first double winner as he took the checkered in both the modified dash and the second heat race. Rain postponed the feature races.

BOB DOTTER won his second feature in a row Saturday night at Waukegan Speedway after earlier setting fast time and finishing second in his heat race.

Point leader Ray Young took second in the feature by passing sophomore driver Hal Davis at the white flag. Davis' third spot finish was the best in his career.

In motorcycle action Friday night on the infield moto-cross course some 190 riders participated on the tricky track. Moto-cross racing will return to Waukegan Friday night, July 9.

Mid-Season Title Races At 2 Tracks

Mid-season championship race dates have been set by Toft Auto Racing for the Lake Geneva Raceway and the Kenosha County Speedway in Wilmot.

Saturday night, July 3, the super-modifieds will race in a 76-lap Bicentennial F&M Auto Parts mid-season event which will be run in twin 38-lap events.

The winners of each 38-lap race will receive trophies and the overall winner will also be awarded a larger trophy. All trophies are from F&M Auto Parts in Waukegan which sponsors four of the super-modifieds from that city.

THE LATE MODEL sportsman stock cars will race in their mid-season championship event at Wilmot on Saturday, July 17. They will run twin 20-lap features. The usual distance for their feature is 15 laps.

Mid-season championship races at Lake Geneva Raceway have been set Saturday night, July 10, for the late model stock cars. In addition to a trophy and

Please turn to page 19

Jones First Again At Lake Geneva

Winning drivers in stock car racing at the Lake Geneva Raceway Saturday night each recorded their second win of the season before a large crowd that enjoyed close finishes.

Winning his second feature in the late model stock cars was Tom Jones, Northbrook, in a 1976 Camaro. Point leader Dave Watson, Milton, in the Nielsen 1976 Camaro, was trying to make it three wins in a row but ran into trouble in the feature and finished third behind Vaughn Gerke, Beloit.

Watson did manage fast time for the seventh time at 16.71 seconds.

In the sportsman stock car events, it was Fran Baumgartner, Genoa City, who recorded his second win in a row.

He is the leader in sportsman stock car racing and the overall leader at five wins.

The late model stock cars will hold a 50-lap, mid-season championship race on Saturday night, July 10. The event will

carry a \$100 bonus for the winner.

RAIN WAS unkind in paying a return visit to the Lake Geneva Raceway Sunday night and prevented the feature races from being completed.

Promoters announced that next Sunday night, July 4, will have a double 20-lap feature race for the sportsman stock cars.

Last Sunday, before the rain, John Baumeister, Burlington, set fast time at 18.03 seconds and won a heat race. Other heat race winners were Steve Romoni, Lake Geneva; Len Ostrander, Walworth and Jerry Straube, Waterford.

The next event will be on Friday night and fans arriving prior to 7:30 p.m. will be admitted for \$1. Thereafter, the admission price will return to the regular \$3 charge. The racing will include super-modifieds, Mini-Indy and spectator stock cars.

Racing at Wilmot Is Full of Thrills

Bill Repsold, Spring Grove, who had not won a feature until a week ago Saturday night, returned to win a second in a row at the Kenosha County Speedway in Wilmot super-modified stock car racing last Saturday night.

Repsold took the lead from Dale Wikel, West Allis, on the seventh lap and, at the end, was only a car length ahead of Mike McNulty, Racine.

A tangle on the second lap disabled the car driven by Gary Dye, West Allis, when the front bumper on the car driven by John Tierney, Lake Villa, caused a spin with Bill Schmidt, Kenosha also joining the group and calling out the wrecker service.

Defending champion Dick Colburn, who had started 13th, had to go to the pits for a quick tire change and that put him last in the 18-car field on the restart. He fought his way through the traffic to finish third.

Eighteen-year-old Doug Swartz, Caledonia, won the 15-lap late model sportsman stock car feature. It was his first win in his rookie year as a driver.

Point-leader Ken Zeisse, Union Grove, who was fast time qualifier at 20.07 seconds for an average speed of about 55 mph,

started last in the 16-car field and finished second ahead of Ron Holdtorff, Union Grove. Both drivers have won two previous features but could not catch the fast rookie.

This Thursday night the late model sportsman and spectator stocks will start weekly racing as well as the Saturday night racing at Wilmot.

Saturday night will be the 76-lap mid-season championship race, run as twin 38-lap events.

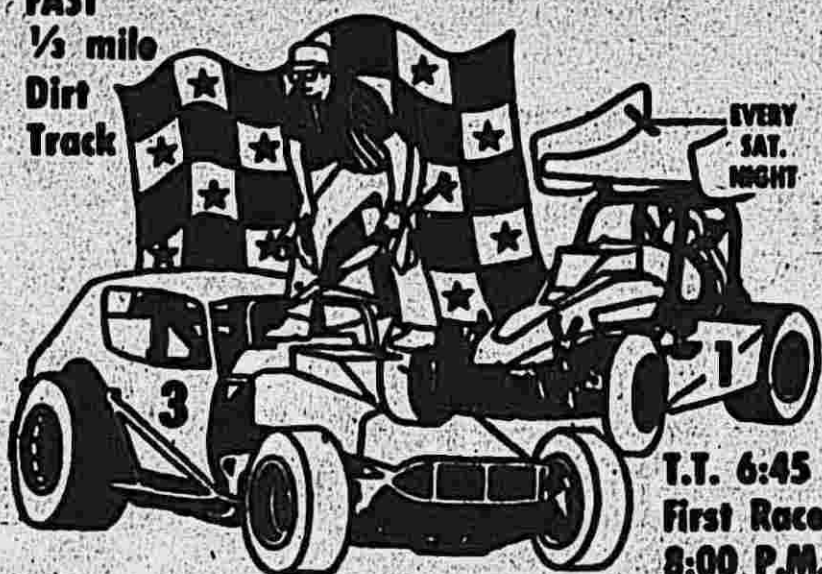

Whether jogging, playing tennis or just relaxing, hair can look great this summer—all the time—with easy care wigs. This Elura wig by North American Fashions hugs the head and is skillfully blended to create a rich blonde-on-blond effect.

SPORTSMAN'S CORNER

Chain O'Lakes anglers report fair-to-good fishing at most lakes. Lake Marie shows good-to-excellent fishing for striped bass and northern pike, while crappie and channel cat fishing is good. Walleye and bluegill were rated fair last week.

Largemouth, bluegill and redear sunfish were given good ratings from Cedar Lake, Channel Lake and Lake Catherine.

Anglers at Deep Lake reported good catches of largemouth bass and bluegill, while crappie fishing was only fair. No trout or northern pike were reported.

THE FIRST offshore stocking of lake trout in the Illinois waters of Lake Michigan was accomplished last week after a complex series of travel connections between truck, ferry and commercial fishing tug.

Some 66,000 yearling lake trout were planted offshore in an experimental effort by the Department of Conservation to spur the once-abundant "laker" into reproducing naturally in the lake.

Studies conducted last fall and this spring indicate that none of the million lake trout planted in Illinois waters since 1968 have successfully reproduced.

Getting the trout in the water required the skill of an accomplished travel agent. First, the fish left the Jordan Fish Hatchery in Michigan via tank truck. The truck was ferried across the lake to Milwaukee, and then driven to Waukegan harbor.

At the harbor the 5-inch yearlings were dumped through a tube into two 800-gallon tanks aboard a commercial fishing tug. Finally, the fish were taken to the Waukegan reef eight miles east of the harbor and ushered to their new home.

The Waukegan reef is about 110 feet deep in surrounding water of 150 feet, deep enough that the eggs of future spawn of any lake trout would be protected from surface storms and disturbances.

Previous unsuccessful offshore stockings were probably done in waters that were too shallow.

The yearling lake trout should

mature to a catchable size (10 inches) in about a year.

SPORTSMEN CAN apply for free permits to hunt doves on three state-managed shooting areas from July 12 through July 30.

Portions of Green River Wildlife Area, Lee County; Des Plaines Wildlife Area, Will County, and Silver Springs Conservation Area, Kendall County, will be open for dove hunting by permit on Sept. 1, 3, 5, 7 and 9.

Hunting will be allowed on the areas Sept. 10 through 15 without permits.

Sportsmen can apply for only one permit, and requests for more than one will be returned to the sender. Permits are not transferable.

Hunting partners can send applications in the same envelopes and up to six applications per envelope will be accepted.

Applicants should list name and address, area desired to hunt, first and alternate hunting dates and send to: Department of Conservation, Division of Wildlife Resources, 605 State Office Building, Springfield, IL 62706.

Applications received prior to July 13 will be returned.

Golfer Gets Hole-in-One

An Antioch golfer, Wayne Olandese, scored a hole-in-one on Tuesday of last week at Spring Valley Country Club.

Wayne, of 299 Joanna Court, hit a powerful 7-iron shot into a slight breeze on the 155-yard seventh hole. The ball landed 10 feet in front of the hole and took one hop into the cup.

The feat was witnessed by his playing partner, Jerry Mack.

Wayne, 26, is only in his second year of golfing and already shoots in the 80s. On two previous occasions he came close to a hole-in-one.

He used a Top-Flite ball for his "ace" and will receive an award from the Spalding com-

pany in recognition of the feat.

IN ANOTHER outstanding performance at Spring Valley, Rich Higgins shot a 32 on the back nine.

Higgins, an officer at the First National Bank of Antioch, put together three birdies and six pars for his three-under-par score.

He is planning to play in the first annual Antioch Open tournament at Antioch Country Club on Sundays, Aug. 22 and 29.

The First Annual

ENTRY BLANK

Antioch Open

Men's Golf
Championship

at the

antioch country club

Co-Sponsored by Antioch Country Club
and the Antioch News

ENTRY FEE: \$15 for 36 holes

Sunday, August 22 ... the first 18 holes.

Sunday, August 29 ... the second 18 holes.

★ Rain Date: Sunday, Sept. 12.

Restricted to golfers 16 years of age and over, who either live or work in the townships of Antioch and Lake Villa.

I wish to enter the championship class ☐My average score is in the 80s and I wish to enter the Class A flight ☐My average score is 90 or over and I wish to enter the Class B flight ☐I wish to reserve a riding cart for both dates ☐ I will walk and/or furnish my own caddy ☐

★ A limited number of carts are available and may be reserved on a first-come, first-served basis.

Name _____

Address _____

Town _____

Phone _____

Amount Enclosed _____

DEADLINE FOR ENTRIES: THURSDAY, AUG. 12

Mail or bring entries to the Antioch Country Club, Route 59 and Grass Lake Road, or the Antioch News, 950 Main St., Antioch, Ill. 60002

No entry fees will be returned after Aug. 12.

Trophies and prizes will be awarded to the top finishers in each of the three classes. ★ Pairings will be made in foursomes, starting at 10 a.m. on each day. Pairings will be made at random for the first 18 holes, and according to scores for the final 18 holes.

United States Golf Association rules will apply, with the exception that winter rules will be allowed when playing from your own fairway.

The tournament committee includes Pres Reckers, Rich Higgins, Jack Fields, Mike Haley, Jerry Pfarr and Nick Marucci, the golf professional at Antioch Country Club.

Title Races

Continued from page 18

\$100 bonus, the winner of the 50-lap race will receive a trophy from the R-D Performance Equipment Co. of Lake Geneva, which also will provide a \$25 bonus for second place.

The All-American late model sportsman stock car mid-season championship race at Lake Geneva will be held Sunday night, July 18. The winner of this 50-lap feature will get a \$75 bonus with a \$25 bonus to the second place finisher.

All mid-season championship races carry lap prizes for the leaders for as many laps as are purchased prior to race time.

Point leaders in each division are Dick Colburn, Muskego, super modifieds at Wilmet; Ken Monroe, Pell Lake, super modifieds at Lake Geneva; Ken Zeisse, Union Grove, Wis., sportsman stock cars at Wilmet; Dave Watson, Milton, Wis., late models at Lake Geneva, and Fran Baumgartner, Genoa City, sportsman cars at Lake Geneva.

MIDGET AUTO RACING returns to Waukegan Speedway on Friday night for a special engagement on the quarter-mile pavement. Here, Scott Moore of Mundelein tests his car in preparation. The card opens a big racing weekend over the Fourth of July celebration and holiday at the Waukegan track. Special races are slated for late models on Saturday, modifieds on Sunday and a mixed card which includes a 100-lap late model feature for a record purse Monday night, July 5. The starting time for the Monday program will be moved up one hour, with the first race at 7 p.m.

State Bank Swim Team Wins 2 Meets

The Antioch swim team, sponsored by the State Bank of Antioch, had a busy first week of competition.

Beginning last Tuesday, the "Seals" hosted last year's conference champs from Lake Forest.

Antioch won the first relay and then continued on in that vein.

Encouraged by loyal fans, Antioch splashed its way to an upset of Lake Forest with a score of 227-175.

Brian Wogsland, Joel Bellucci, Ted White, Shelly Volling, Trina Speitz, and Jack Fields were all double winners.

In addition, Judy Houghton,

Ted Bessette and Jean Cilik won the medley relay and Shelly Volling, George Bessette, John Schmidt and Karen Shepard finished the meet with a win in the freestyle relay.

On Thursday evening the "Seals" traveled to Kenosha Tremper High School for a dual meet with the Kenosha Recreation Department team. Antioch won, 301-238. Double winners were Brian Wogsland, Kathy Kelly, Dave Berry, John Schmidt, Lisa Dunn, Jean Cilik and Ted White.

Saturday morning, the team traveled to Palatine to the Plum Grove club. The winning streak came to a halt with a hard-fought loss, 180-248.

Brian Wogsland (8 years old) once again won two races.

Shelly Volling set a pool record in her specialty.

2 No-Hitters For Legion '9'

Two no-hit games were pitched for Antioch's American Legion baseball team in recent games.

Tom Klemko, from Salem Central High School, beat Libertyville 5-1 on Monday of last week. It was Libertyville's first loss in five games.

Klemko struck out 11 and walked only two, but four errors helped Libertyville score on him even though he had a no-hitter.

Last Friday, Dean Hedges pitched a no-hitter for Antioch in a 5-0 victory over Round Lake. Hedges struck out 10.

Coach Bill Underhill's Anti-

Limerick Lounge Tops Softball Loop

After the first round of the schedule, Dan Haley's Limerick Lounge softball team is leading the 12-inch league at Furlan's Dugout in Trevor.

The Limerick leads with a 5-1 record, followed by Lakehurst Liquors and the Waterhole at 4-2.

Last week the Limerick took over sole possession of first

place with a 12-8 win over Royal Radiator. In the second inning, hits by Jim Shore, Kevin O'Neill, Don Zeman and Marnie Baker gave the Limerick a 2-0 lead.

Dick Petersen and Al Constock led off the third with singles and scored on hits by Shore and Zeman.

Terry Erickson and Jim Carlson added hits as the Limerick scored five more runs to go ahead 7-0.

In the top of the sixth, Royal Radiator scored five runs to tie the game 8-8, but Carlson led off the bottom of the sixth with a base hit and scored the winning run on Bernie Gunty's triple.

A basehit by Constock and a two-run home run by Wayne Olandese gave the Limerick three more insurance runs to wrap up the 12-8 victory.

The Limerick was aided by outstanding defensive plays by Pat Ring, Constock and O'Neill.

Antioch Colts Stun Rival

Scoring seven runs in the sixth inning, Antioch trimmed previously unbeaten Round Lake 8-3 in a Colt League baseball game here last Saturday.

It gave Antioch a 3-4 record in the league.

Coach Ron Giebelhaus praised the pitching of Dave Gutowski and John Eder, and said that Antioch's catcher, Bob Young "really had control of the game behind the plate."

Besides excellent relief pitching, Eder came through with a double at the plate.

Little League Giants Suffer First Defeat

The Giants of Antioch's Little League suffered their first loss of the season Monday night when they were beaten by the Tigers 10-4.

Manager Milo Bailey's Tigers had been leading the American Division with a 7-4 record while the Giants were riding high atop the National Division with an 11-0 record.

Other records in the American Division entering this week's games were Yankees 5-6, Dodgers 3-8 and Astros 3-8.

Trailing the Giants in the National Division were the Orioles 7-4, Cardinals 6-5 and Cubs 3-8.

The Giants got their 11th win when they beat the Yankees 8-3 last week. Ricky Ranney was the winning pitcher with 12 strikeouts.

The Cardinals routed the Dodgers 19-4 as Butch Zannini and Tim Keefer hit home runs and Bob Gatti pitched a steady game.

Tuesday and Thursday the games were rained out and will be rescheduled.

The Orioles scored a 6-5, extra inning victory over the Cubs with pitcher Lester Zitkus getting the win. Frank Petrowski connected for two home runs and Mark Maglio made a nifty, game-winning catch for the Orioles.

The Tigers beat the Astros 5-4 as Gary Frad hit a two-run homer and Joe Weber a two-run double.

Door-to-Door Salesmen

There are many reputable door-to-door salespersons. But the efforts of honest people in this business can be thwarted by a few unscrupulous colleagues.

Following are a few suggestions to help you avoid becoming the victim of a fraudulent door-to-door salesperson:

Don't open your door to anyone you don't know who cannot produce proper identification.

Be certain the salesperson immediately tells you his name, his company's name and address, and the product he wishes to sell.

Keep your door chained or screen or storm door latched until you decide you wish to invite the salesperson in.

Once inside, a salesperson will do his utmost to convince you to purchase his product. After all, that's his job. So:

Ask yourself if you really NEED what he's selling. The product or service may be a good one, but do you need it today?

The Little League Page

FACES IN THE CROWD - His baseball cap was almost hiding his face, so we don't know who this young fellow is. But he was photographed at the Little League park and will receive a \$10 savings account at the Antioch Savings and Loan Association if he comes to the Antioch News, 950 Main St., Thursday or later and gives us his name and address.

RECENT WINNERS of "Faces in the Crowd" prizes were Ricky Korjenek of Lindenhurst, who will receive \$10 in cash from Antioch Firestone, and Laurie Albergo, 501 Garys Drive, Antioch, who will get a \$10 check from Bob's Septic Service and Cement Co.

THIS SPECTATOR at the Little League park was captured by our telephoto lens and will receive a \$10 gift certificate at the Four Squires clothing store. But first, he must come to the Antioch News office Thursday or later and tell us his name.

Many Adults Lack Skills for Living

The U.S. Office of Education, after examining various aspects of American living, disclosed that 14 per cent of the nation's adult citizens can't fill out a check properly; 29 per cent can't figure out a weekly paycheck if it includes overtime, and many can't pick the best buy from a supermarket shelf or name their state's U.S. senators.

OBITUARIES

Nora Jonas Dies At Hospital

Mrs. Nora B. Jonas, 76, of 23 1st Ave., Antioch died Wednesday, June 23, at Victory Memorial Hospital.

Mrs. Jonas was born Aug. 23, 1899, in Olean, Ind. and had lived in Chicago many years before moving to Antioch in 1947. She was a member of the Antioch Chapter 428 Order of Eastern Star, and the Antioch Chapter of the A.A.R.P.

She was preceded in death by her husband Benheard Jonas in 1962; one son Arthur, 1945 in

WWII. Survivors include one son Robert (Martha) Jonas, brother Lynd McIntosh of Florida, 3 grandchildren and 4 great-grandchildren.

Funeral services were held last Saturday at Strang Funeral Home in Antioch. The Rev. Stephen Williams of the United Methodist Church of Antioch officiated. Her interment was in Mt. Hope Cemetery.

Millburn Man Dies at Hospital

Mr. Edward Druce-Hoffman, 70, of Millburn, passed away on June 28 at St. Therese Hospital.

He was born Jan. 21, 1906 in Avon Township near Grayslake, and was adopted by Marcus and Annie Hoffman at the age of two. They lived in Warren Township before moving to Millburn in 1930.

Mr. Druce-Hoffman was a farmer by occupation, and holds membership in the Lake-Cook Farm Bureau.

He married Mary Watkins on May 18, 1940 in Waukegan. He was preceded in death by his wife Mary on Jan. 3, 1967, and by one sister and four brothers.

Survivors are two sons, George (Irene) Druce-Hoffman and Richard Druce-Hoffman, both of Millburn, and three grandsons.

Funeral services will be held at 1:30 p.m., Thursday at the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of Leisure Village will officiate. Interment will be in Millburn Cemetery. Friends may call at the funeral home after 3 p.m. today.

Murderers, Robbers Paroled Too Soon

State Representative Adeline J. Geo-Karis (R-Zion) is co-sponsoring legislation in the Illinois General Assembly that would mandate consecutive prison sentences to be served one after the other as intended:

"A man sentenced to two consecutive prison terms is often paroled before he has fully served the time required under

Burglar Gets Into Restaurant

The Antioch Restaurant, 916 Main St., was burglarized last Thursday night.

The intruder apparently made off with only 20 packs of cigarettes and suffered a badly cut arm during the break-in.

Entry was gained by breaking a window and the burglar left a trail of blood as he toured the restaurant.

He jammed the cash register, failing to open it, and then broke into the cigarette machine. The burglary was reported at 5:10 a.m. Friday when the restaurant owner arrived for work.

George Hahn, of Hahn Jewelry on Main St., reported to Antioch police last week that someone stole 10 or 12 gold charm bracelets from a display case during store hours.

The culprit apparently reached over the case and opened it from the back. Hahn said the bracelets were valued at \$250 each, police said.

Bill Peterson of the Texaco Service Station in Orchard Plaza reported that someone stole nearly \$600 worth of tools from his place of business last week.

The Egyptians once believed that the rising of the Nile River was brought about by a goddess' tears.

STEPHANIE SULTHIN
Clerk of the Circuit Court
June 30, 1976

ZION LEGISLATOR SAYS

both sentences to be eligible for parole," she said. "The present laws governing criminal sentencing defy reasoned analysis. The present indeterminate sentence provisions leave the convict, the prosecutor, and the general public without any idea whatsoever how long a person will remain in custody after sentencing," Rep. Geo-Karis added.

"At the present time the actual terms of a sentence, as meted out by a Judge, bears absolutely no relation to the

time required to be serve," she said.

"Part of the problem results from the redundant provision in the law that allows the Department of Corrections to grant so called 'good time' in addition to the indeterminateness of the original sentence. For example, a sentence of two years to 10 years may mean that the individual will be released after just over one year's time," she added.

"An example is Richard Speck who murdered eight

nurses in Chicago. That killer is up for parole this year, and while he probably won't get it, there is no reason he should even be eligible for consideration," the Zion legislator said.

"There are other murderers, rapists, and armed robbers who have several consecutive sentences imposed on them who don't have the Speck notoriety. They come up for parole after 9½ or so years and often get it - irrespective of the seriousness or number of their crimes," she said.

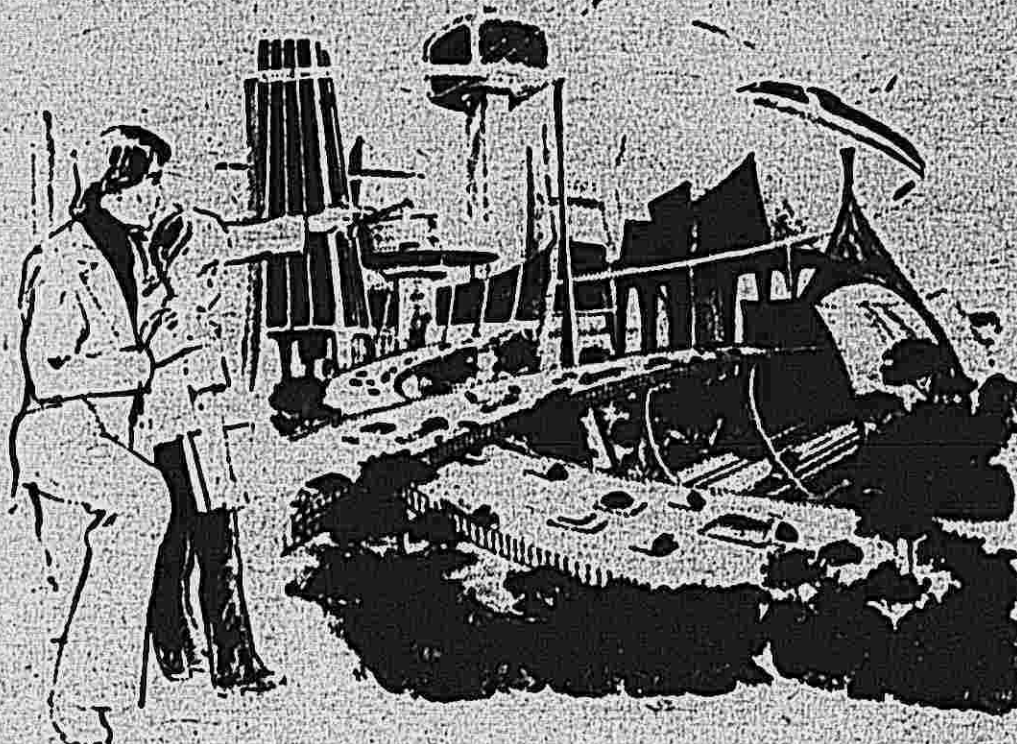

"They might have been sentenced for what could be 50, 60 or 70 years - after several

crimes! But they can hope to get out after 20 years minus 'good time'. They should have no hope!" she insisted.

"What sort of deterrence system do we have if a person thinks he'll be eligible for parole after 9 or so years, no matter how many crimes he commits?" she asked.

"By strengthening the criminal justice system with legislation, I am confident we can reduce crime in the long run and further secure the lives and property of law-abiding citizens. Such a bill would tend to prevent the Specks or repeat armed robbers and others from going out into society too soon, and will have the effect of increasing their time behind walls," she concluded.

PRIDE IN OUR PAST

FAITH IN OUR FUTURE
